Principal's Reports

Mr. Lape unable to get onto the meeting – working with IT.

Teachers' Liaison

Mrs. Shine unable to join meeting.

Holiday shop wrap-up:

Went great. Sale was online. Marie from Snowball Express stated that we had \$3K halfway through, we got up to \$6K last week. She couldn't get into our account this morning for updated total. Really happy with the sales. PTO will get 5% profit. No complaints or troubles.

Sarris Candy:

Easter falls on April 4th. Tuesday after New Years, instead of 35% of in-person commission, it will be 25% for online. Discussed dates when we would want to run this sale and possible give it more time versus just a 2 week sale. Discussed not doing prizes this year as they may not offer them online and last year, they stopped offering some of the past prizes.

Yearbook

Rebecca - Lifetouch hasn't loaded pictures yet. Furloughed half their employees – waiting on questions from 4 weeks ago. Parent participation has been good at PC and MAE.

Open Forum:

Yearbook sales are usually in February. Lee Ann suggested we put in info to the parents that the yearbooks may be delayed due to LifeTouch issues. Tabling restaurant fundraisers with shutdown. Will revisit in January.
