Treasurer Report-

Heather Johnson: Our taxes were submitted and we're waiting for them to be approved. They are not published but are available if anyone wants to see them. We sent in our renewal for tax exemption. Great shape for our budget – everything where it should be. We are having teacher support funds coming in and teachers are very appreciative. We still do want to promote Amazon Smile as we get into the holiday season.

Principal's Reports

Mr. Lape took 536 pounds of candy to Lighthouse today. Mr. Lape inquired how bookfair did. Total sales were \$4344.71 and our scholastic dollar balance is \$1093.65. Mr. Lape thanked PTO for \$11K for each building. Working with teachers to find out what to do with that money. Schools can purchase and we can reimburse or PTO can purchase it or a quote will work as well.

Teachers' Liaison

Mrs. Shine unable to join meeting.

Book Fair Wrap Up

Jennifer Logan will let Mrs. Goodzinski know about getting half of the scholastic dollars now. We will use rest in spring but if that sale doesn't happen, PTO will give her the rest of the funds at that point.

Yearbook

Stephanie stated is all going well and will keep everyone updated when they need photos. Lifetouch emailed that they uploaded school pics.

Holiday shop:

Kelly talked to Marie from Snowball Express earlier in the week with Lee Ann and Jenna. They can do a complete virtual holiday shop online. Flier is digital and parents can sign up. They suggest that we close orders on Dec 7th and have 2 weeks of shopping. Shopping would start within the next week. Free shipping over \$25. \$7.95 shipping fee under that. Kelly will share website for anyone who would like to see it. We can start sales at \$1 to avoid \$0.25 items. They would remit a check to us for 5% for our sales. Last year, sold \$35K. Will email out to PTO to Google vote on to be able to get back to Snowball Express by Friday.

Fundraisers:

Jessica Randall working on different fundraisers for the restaurants. Blaze pizza can put it in an

app and will provide for dine in/carryout and we could get 20% of sales. Anthony's pizza – 20% back of sales. Customer must mention it to diner. Does not include sales tax/gratuity. Milkshake Factory. Milkshakes with a meaning. 15% of sales will be donated. Moe's is tabled until spring as it's been used frequently.
