President Report:

Next meeting is elections so please everyone be attendance. Building chairs get secretary gifts, Wednesday. \$40 per secretary. MAE has 2 secretaries. Kimberly Spencer and Faye Riley. Working on filling PTO for next year so please let us know what you're going to be doing. Not sure what the school year will look like but just plan as it will be normal. Went over all the upcoming dates.

Secretary:

Jen Chomicki: Read the March 2021 Minutes. Motion was made to approve the minutes. All approved.

Treasurer Report:

Heather Johnson: Budget continues to be in very good shape. Spiritwear sales came in and did change that line item. More requests came in for teacher support. Asked Mrs. Shine to please send out reminder that end date for teacher support fund will be May 1st. Two different ways to submit requests: use Google form and mail it to PTO box and we can put back in their mailbox or mail it back to them. Admin day is approaching and we will typically spend \$40 per secretary. Due to lockdown last year, we didn't spend money from last year so we will go over budget this year to use that money. Lee Ann asked the building chairs to please get a receipt for the \$40 spent for reimbursement.

Principal's Reports:

Mr. Lape thanked PTO for support they've been giving. Still working on \$11K and hoping to have answer soon. Heather stated schools can give proposal for money or submit receipts. Mr. Kostiewiecz thanked everyone for all the support. States to be working on ideas for money as well. Centennial is planning on doing a field day but won't be able to use PTO support due to Covid restrictions. With 6th grade t-shirts, would like to do it outside and would like yearbook to come take pictures. Looking forward to luncheons and willing to work with members who are doing the luncheon. PTO did budget for the 6th grade graduations so we do have the money for picture. Mr. Kostiewiecz states as long as it's outside and not close together for more than 15 minutes, group picture can occur.

Teacher Liason:

Mrs. Shine sent out email to all teachers about teacher fund and will send out another one today. Stated teachers so thankful for money and stated they did submit some ideas to the principals. Mr. Lape stated he is still taking ideas. Mr. Lape stated they weren't planning on having a field day at MAE and Mrs. Dilorenzo emailed that she would love to have a field day but without volunteers. Dayle Ferguson reminded that tomorrow evening is a board meeting and a finance meeting with quite a few changes and it starts at 6pm.
